EMPLOYMENT

MINNESOTA FAMILY INVESTMENT PROGRAM

The Minnesota Family Investment Program, or MFIP, is the state's welfare reform program for low-income families with children. MFIP focuses on helping families and moving people to work. It includes both cash and food assistance. When most families first apply for cash assistance, they will participate in the Diversionary Work Program. This is a four-month program that helps parents go immediately to work rather than receive welfare. Some families may be referred to MFIP when they first apply for assistance or after they finish four months of DWP. MFIP helps families' transition to economic stability. Parents are expected to work, and are supported in working. Most families can get cash assistance for only 60 months. For information or to apply contact:

Houston County Department of Human Services..... (507) 725-5811

Internet Web Site: <https://www.co.houston.mn.us/departments/human-services/>

WISCONSIN WORKS (W-2)

W-2 is based on work participation and personal responsibility. Under W-2 there is no entitlement to assistance, but there is a place for eligible people willing to work to their ability. There are five paid employment and training plans available. Participation is time limited, although there may be extensions. Employment support services are available to participants which may include childcare subsidies, job access loans, transportation assistance, and health care (Medicaid/BadgerCare). For information or to apply contact:

Workforce Connections, Inc. (855) 418-9332

Internet Web Site: www.workforceconnections.org

Eligibility: Parents of minor children and pregnant women (ages 18 and older) with low assets and low income are eligible for W-2 employment and training positions and/or case management; minor parents are eligible for case management services

WISCONSIN HOME ENERGY ASSISTANCE PROGRAM (WHEAP)

The Wisconsin Home Energy Assistance Program can assist eligible households with their energy costs during the heating season (October 1 through May 15). Services that may be available through this program include: a one-time payment each heating season to help cover a portion of the household's heating costs; crisis assistance for households without heat, a disconnect notice or nearly out of heat with no way to pay for heating needs; assistance with paying for non-heating electric costs; assistance with cost of emergency furnace repair or replacement (must have approval prior to work being done); provision of a home energy audit and assistance with weatherization of the home (insulation, sealing air leaks, heating systems update, etc); and budget counseling and assistance in creating a payment plan for people with high arrearages in their heating bills.

Eligibility: Individuals and families which meet income guidelines or categorical eligibility criteria

KEEP WISCONSIN WARM FUND

A statewide, non-profit, public/private partnership that raises money to provide financial assistance for heating/energy costs. Applications are considered on a case-by-case basis with the most vulnerable households being given the highest priority (households with elderly people, people who are disabled or have health conditions, or young children; also those with very high medical bills or heating/energy costs). This is a limited fund so assistance is available only while there is money in the fund.

Eligibility: Households meeting income requirements

Visit the website at <https://energybenefit.wi.gov> to apply for WHEAP or Keep Wisconsin Warm Fund. For more information and application assistance for WHEAP or the Keep Wisconsin Warm Fund contact:

MENTAL HEALTH RESOURCES

COUNSELING AND RELATED RESOURCES

There are a number of resources for people who are seeking assistance with life concerns as well as for people who have ongoing mental health concerns. These include:

- Area counseling agencies providing individual or family counseling regarding a variety of concerns,
- Support groups,
- Agencies providing ongoing mental health and psychiatric management services, and
- Mental health drop-in centers offering recreational and social support for people with mental illness.

Some of these services are available for free and many agencies offer their services based on a sliding fee scale or can bill Medical Assistance or other insurances. Great Rivers 2-1-1 can provide information about and referrals to these and other supportive services. Contact Information and Referral Specialists at Great Rivers 2-1-1 by calling 2-1-1 or (800) 362-8255. The Great Rivers 2-1-1 line is available 24 hours/day, 7 days/week including all holidays.
