

COMMUNITY HEALTH WORKER

CORE COMPETENCY TRAINING

GREAT
RIVERS

WHAT TO EXPECT

A minimum of 80 instructional/didactic hours and 80 clinical/practicum hours are required to meet Pathways Community HUB Institute (PCHI) training standards.

Trainings are completed in four weeks: the first and last weeks are in-classroom, and the second and third weeks consist of practicum hours. Classroom hours are generally 8:30 a.m. to 4:30 p.m.; the course instructor will notify trainees of schedule changes.

LOCATION

Great Rivers United Way
1855 E. Main Street
Onalaska, WI 54650

WHAT IS A CHW?

A Community Health Worker is a frontline public health worker who is a trusted member of and/or has an unusually close understanding of the community served. This trusting relationship enables the worker to serve as a liaison/link/intermediary between health/social services and the community to facilitate access to services and improve the quality and cultural competence of service delivery.

—American Public Health Association
