

## **Corporate T-shirt Form**

Corporate t-shirts are a wonderful way for your company to show off its support of Great Rivers United Way! Shirts feature the phrase UNITED IS THE WAY and Great Rivers United Way's *new* logo on the front, and your company's logo on the back. Please submit a one-color version of your company's logo in either .ai or .eps format (you can request these from your marketing department) to Adrianne Olson at aolson@gruw.org.

Orders may be submitted via this form, or our vendor can build you a custom online store where individual employees or team leads can submit sizes (please allow three days to build store). Contact us to get started.
