

# BECOME A PATCH TEEN EDUCATOR!

## Now Hiring Teens in La Crosse & Surrounding Counties!

Get paid to make a difference while helping teens understand their health.

### What You'll Do

- Teach teens about healthcare rights
- Work with health professionals
- Lead workshops on real issues
- Build leadership & communication skills

### Why Apply?

- Earn \$15/hour
- Gain leadership experience
- Make a real impact in your community
- Strengthen your resume

We are looking for teens who are enthusiastic about learning about sensitive health topics like mental health, sexual health, and drug and alcohol abuse, and excited to educate health care providers to improve communication about these topics.

### Who Can Apply?

- Ages 14-18 at time of training (Aug 2026)
- Current high school student (2026-27 school year)
- Live in La Crosse County or surrounding area
- Team-oriented, open-minded, and willing to learn
- Passionate about helping teens access health care

### Apply Today

## Applications Open 4/13-6/1
